

A STORY OF SUCCESS *Amanda*

With nowhere else to go, Amanda arrived at ACCESS with her son after losing her job and eventually, her home. She knew she and her son needed a fresh start but was unsure how to navigate the job search process and find her own new place that was suitable for them both. Once Amanda met with her Case Manager, developed a plan and attended the Fair Housing and Job-Readiness classes at ACCESS, she became more aware of the opportunities available to her and was able to successfully find a new job and place to call home with her son near a great school.

In 2019, ACCESS will serve hundreds of women like Amanda. Be a part of their success by joining ACCESS as a sponsor in 2019!
